Welcome to Arike Day Care Nurses Bulletin! Within these pages, we unveil the significance of our endeavors, highlighting the positive impact they generate in our community. Your ongoing support propels our journey of empathy and empowerment. We couldn't do it without you. Thank you for being a part of our mission!

The Palliative Approach: Providing Compassion and Comfort for those with Illness.

In a world filled with rapid medical advancements and technological marvels, it's essential to remember the enduring significance of compassionate and holistic healthcare.

Understanding the Palliative Approach

The palliative approach to care focuses on enhancing the quality of life for individuals dealing with serious illnesses, regardless of age. Unlike traditional care, which may prioritize curative treatments, palliative care takes a more comprehensive approach, addressing physical, emotional, and spiritual needs throughout the illness journey.

The Advantages of a Palliative Approach

- **Enhanced Quality of Life:**
Palliative care prioritizes comfort, emotional well-being, and maintaining independence. It helps individuals with chronic illnesses experience a higher quality of life, even amid ongoing health challenges.
- **Improved Communication:**
Open and honest discussions about prognosis, treatment options, and personal goals foster better communication between patients, families, and healthcare providers.
- **Reduced Hospitalization.**
Palliative care can reduce the need for frequent hospital admissions by providing proactive symptom management and supportive care at home or in long-term care settings.
- **Emotional Support**
Patients with chronic illnesses often grapple with complex emotions. Palliative care professionals offer emotional support, helping them cope with anxiety, depression, and grief.

The Voice of Patients

"Palliative care allowed my husband to focus on living, rather than just surviving."

The perspective of patient X's wife encapsulates the essence of palliative care. It isn't solely about managing symptoms; it's about enabling individuals to lead fulfilling lives despite their health challenges. Palliative care empowers patients to find meaning, engage with their loved ones, and experience moments of joy amidst adversity.

"Palliative care gave me a voice in my own care decisions."

Patient X's experience emphasizes the importance of autonomy. In palliative care, patients and their families actively participate in decision-making, ensuring that care aligns with their values, preferences, and goals. This collaborative approach promotes dignity and respect at every step of the care journey.

4th Anniversary Celebration

On August 8, 2023, Arike Palliative Home Care celebrated its 4th anniversary, marking four years of dedicated compassion and care. Since its inception in 2019, a total of 8959 (up to August 2023) instances of Nursing Care and 1330 instances of Doctors care, comprehensive support was provided to the patients. Additionally, dignified deaths were facilitated for 453 individuals, ensuring their comfort and dignity during their final moments. As on 31st August, 1429 patients have been served, reflecting our commitment to making a meaningful impact on the lives of persons requiring palliative care.

Farewell to Dr. Arif

On August 12th, Dr. Arif, the esteemed medical officer at Arike Palliative Care, was honored as he embarked on an exciting new chapter of higher studies and work in Germany. Since 2022, Dr. Arif has been an integral part of our team, generously sharing his expertise in palliative care, and leaving an indelible mark on the lives of our patients and their families within the walls of our facility. We congratulate him as he embarks on an exciting new chapter of higher studies and work in Germany.

OFFICIAL NEWSLETTER

Psychiatric Support from MEHAC

Dr. Chitra from MEHAC initiated psychiatric support for patients at Arike. In August, she conducted one visit, marking the beginning of this valuable service. This support will be an ongoing resource, ensuring comprehensive care for our patients in the future.

Koode Impact

The Onam kit distribution function was also organised by NSS Koode Palliative care unit at KMM college. In a ceremony held at KMM college on 25th August, Shri A. M. AbuBakar, Director and Manager of KMM Group of Institutions, inaugurated and handed over Onam Kits to Thrikkakara Municipality Palliative Care Nurse Rajani and Asha Worker NishaBivi. The Principal, Prof. V. U. Nooruddin, extended appreciation for the dedicated work of the volunteers, highlighting their commendable efforts.

Community Volunteer Engagement at Arike

On August 6, 2023, Mr. Joy Joseph, a compassionate community volunteer, joined Arike Palliative Care. Retired from Port Trust, he extends Psycho-Social support to patients and their caregivers during his visits. Ms. Anitha, a compassionate volunteer, became an integral part of our team on August 11, 2023, extending invaluable Psycho-Social support to patients and their caregivers. Her dedication is evident as she accompanies the nurses care team daily for home care visits. With extensive experience in hospital management from her tenure at Apollo Hospitals, Ms. Anitha brings a wealth of knowledge and expertise, making her an asset to our organization.

SUPPORT OUR CAUSE

Arike Daycare Nurses has provided home-based palliative care for Four years, assisting 1,429 patients and families. Despite our dedication, we are struggling with financial constraints to cater to the growing demand for care. Your support is crucial in extending our reach and ensuring dignified lives for those in need. Please consider contributing to ARIKE!

Awareness Sessions

On August 11, 2023, Team Arike conducted an awareness class at Theresa Speneli Public School Pottakuzhi. Psw. Rony, Head of Community and Social Work Dept., shared insights about the Koode programme and its relevance in palliative care. Psw. Donal spoke about palliative care, fostering empathy and understanding. Smt. Anijomol P J is the Teacher Coordinator for the Koode programme. On the same day, Team Arike organized an awareness session at Arch Bishop Attipetty Higher Secondary School in Vaduthala. Mr. Rony, Head of Community and Social Work Dept., provided valuable insights about the Koode program, emphasizing its relevance in the current scenario. Sn. Deleema, primary nurse at Kaloore PHC, engaged with the students, offering vital information about palliative care and its compassionate impact on patients and their families.

Onam Kit Distribution

Through Arike Arike Home Care hosted the official Onam kit distribution event on August 21st and 22nd, 2023, generously sponsored by the Inner Wheel Club of Cochin West and Innerwheel club of Kalamasserry. The event witnessed the distribution of kits to our Home Care patients, spreading the spirit of Onam and bringing happiness to those in need. Additionally, there was generous sponsorship of onam kits from Martha Maria Vanitha Samajam, St. Mary's orthodox cathedral. Onam kits were also distributed through the support of Bhavans Vidya Mandir Elamakkara and Navanirman Public School Vazhakkala, reflecting the caring spirit of students. More than 110 Kits were distributed through Arike, in total.
