

The Arike Bulletin Turns Two

Welcome to another edition of the Arike Palliative Home Care Bulletin!

This issue holds something special – we are joyfully marking two years of our monthly newsletter, a platform that has grown into a voice of care, community, and connection. As we enter our third year, we hope to bring even more voices forward, explore deeper themes in palliative care, and continue being a space of warmth and truth. Thank you for reading, supporting, and sharing this journey with us. Here's to many more stories, shared smiles, and silent strength. With deep appreciation,

Arike Newsletter Team

Volunteer Spotlight: Mr. X's Journey with Arike

We're thrilled to shine the spotlight on one of our remarkable volunteers, Mr. X, whose journey with Arike is a testament to the power of compassion and community action. When Mr. X's wife required home care from Arike, our team provided her with the love, care, and support she needed. Our team along with volunteers visited her regularly, providing medical support, emotional care, and companionship. Despite her health challenges, she felt comforted during her most difficult moments.

Tragically, Mr. X's wife passed away, leaving him and their family heartbroken. However, Mr. X's bond with Arike grew stronger. Moved by the care and kindness our team showed his wife, he decided to join Arike as a volunteer. He was drawn to our mission and values, and he wanted to make a difference in the lives of others. Today, Mr. X is an integral part of our volunteer team, dedicating his time and energy to support others in need. He works with the Arike home care team, providing support and companionship to patients and their families.

In a remarkable display of generosity, Mr. X has taken on the responsibility of sponsoring our upcoming volunteer meet, covering all expenses in memory of his beloved wife. This event will bring together our volunteers from across the Ernakulam district, providing an opportunity for them to share their experiences, learn from each other, and celebrate their contributions to our organization.

Mr. X's story highlights the importance of volunteering and the impact it can have on individuals and communities. His journey with Arike is a shining example of how compassion, care, and kindness can transform lives. Through his volunteer work, Mr. X is making a real difference in the lives of others, and we're honored to have him as part of our Arike family. Volunteers like Mr. X are taking the palliative care movement forward by providing emotional support, companionship, and care to those in need. Their selflessness and dedication are inspiring others to join the cause, and we're grateful for their contributions.

You too can be a part of this journey, supporting individuals and families in need. We welcome you to join our volunteer team and make a difference in the lives of others.
